“This is the time in which a new year will soon be born from the time of Christ. I have perfect faith in you to do all that you would accomplish. Nothing will be lacking, and you will make complete and not destroy. So will the year begin in joy and freedom. There is much to do, and we have been long delayed. Accept the holy instant as this year is born, and take your place, so long left unfulfilled, in the Great Awakening. Make this year different by making it all the same. And let all your relationships be made holy for you.

This is our will.”
